Foreword

A school is more than classrooms and corridors—it is classes, activities, sports, and teachers—but most of all it is a way of life. The Orange and Black has dedicated itself to preserving this way of life.

In Appreciation

Mrs. Ruth Weiler

Mrs. Weiler has ended her term of dedicated service to our school after thirty years. As well as being a teacher of home economics, she was one of the first in the state to introduce a family life course into the high school curriculum. For several years she took her place as adviser of the freshman class and served many terms with the local Future Homemakers of America chapter, accompanying participants on their annual trip to the state conference.

After graduating from Montgomery High School with honors, Mrs. Weiler attended The Pennsylvania State University where she earned her Bachelor of Science degree. She began her teaching career at

Philipsburg and served that school district for five years.

In the past Mrs. Weiler has conducted sewing and Red Cross nutrition classes for adults.

She enjoys reading, sewing, and traveling, but she says her greatest satisfaction comes when she sees her former students become well adjusted members of society.

We were indeed fortunate to have had this accomplished teacher on the staff at Jersey Shore and join with the faculty in wishing her a most rewarding retirement.

Administration

and

Faculty

Mr. Francis O. McCanna
Supervising Principal

As our chief administrative officer, Mr. McCanna did a commendable job in directing the activities of our school district. His responsibilities included being directly in charge of all teachers and building programs and aiding in the preparation of the budget.

Mr. J. Kenneth Best
Jointure Secretary

Our industrious jointure secretary and business manager, Mr. Best, did a fine job of handling the finances for the entire district; including receiving money, paying bills, and preparing the payroll.

Mrs. Moyer

Administrators' Assistants

Mrs. Smith and Mrs. Moyer were the secretaries for the office of the Jersey Shore School District. Their jobs were to take care of the secretarial work which concerned the school district. Mrs. Smith was absent when the picture was taken.

Mr. Kenneth B. Crosser
Principal

Although it was his first year as principal, Mr. Crosser handled the tasks of his new job with all the efficiency of a veteran administrator. When interviewed, he described the year as a "surprise package," meaning that he never really knew what to expect.

The "green" Mr. Crosser did many things to improve our school. As an active member of the Curriculum Committee, he helped students get the most from their studies and was instrumental in the establishment of new graduation standards.

Mr. Crosser hopes that Jersey Shore Senior High School will continue to live up to its previous high standards. His philosophy of life has been to do the thing you are most happy doing and do it well, and we all know that he has done a first rate job of living up to it.

The school secretaries were Miss Helen Myers and Miss Linda Rall. Their jobs were to attend to the secretarial work of the office and to help students on school business.

Miss Linda Rall and Miss Helen Myers

Guidance

Our Guidance Department helped students in a number of ways. Deciding on a vocation, finding a job, making a schedule change, or selecting a college were just a few of the many ways they helped us.

Freshmen

SEATED: Betty Jo Sweeney, Dennis Kershner, Jerry Brown, Gary Eck, Susan Hopple. STANDING: Mr. Miller, Mr. King.

The Freshman class, over 300 strong, adjusted quickly to life in the senior high school, and before long had utilized its large membership to win the "spirit stick" on two different occasions.

After electing officers, they set class dues for the 1967-68 term and later planned a dance which was held late in May.

As their last project, the "greenies" held a car wash before the prom, so the upperclassmen's "coaches" would be clean for the "ball."

Their advisers were Mr. Miller and Mr. King, and the officers were:

The sophomore class, no longer the youngest in the school, sponsored two very successful dances to earn money towards their main goal in their junior year, the prom.

The first sophomore dance, in the late fall, featured Prince Charles and the Royal Tones. The second, held in February and better known as "George's Fling," featured The Licorice Trolley Car.

One addition the sophomores made to their class this year was the Spirit Log, which gave them lots of spirit during pep assemblies throughout the year.

After a very successful year, the sophomores are now looking forward to sponsoring in their junior year the best prom ever.

The junior class plunged right in this year with the Christmas card sale and variety show. Both of these projects were hard work but proved profitable in the end. The high-light of their junior year was focused on the Junior-Senior Prom. The prom, "South of the Border," gave their guests of honor, the senior class, a Mexican atmosphere to end their twelve long years of hard academic work.

With "Today we lead; tomorrow we follow" as their motto, a pink carnation as their flower, and royal blue and gold as their colors, the junior class is looking forward to their senior year.

Presenting problems confronting the student body to the faculty and administration was the main objective of members of the Student Council.

Representatives from each home room attended meetings where they could suggest methods of correcting conditions about the school which needed improvement or submit ideas for starting new and interesting projects.

Among the new and successful projects undertaken by the council was a Christmas door decorating contest to promote the Christmas spirit and bring about a deeper fellowship among the students before the holidays.

One of the most successful projects conducted by the Student Council was "Operation Christmas," designed to provide needy families with canned food and chickens for their holiday dinners.

When school terminated for the holidays and the rest of the student body rushed home, the Student Council members were busy pouring tea and coffee for the faculty members and past graduates of JSSH. The tea was held to reunite the graduates with their teachers and was labeled a success by both parties.

One of the most unusual projects was "Carrot Day," a highly worthwhile and much appreciated cooperative endeavor for the benefit of Miss Susan Sealy.

They closed the year by cooperating with the Save the Children Federation by sending clothing to Appalachian families.

Throughout the year the Student Council was always willing to accept new ideas, trying hard to introduce them into their regular program as new projects and, under the guidance of Mr. Pecchia, they strove to better the student's environment within the school.

The National Honor Society, which is composed of students with the qualities of scholarship, leadership, service, and character, spent the better portion of the year revising their constitution and tutoring any students who were having difficulty with their studies.

Along with performing these services, the former members selected new members who were then inducted into the society in an impressive ceremony held in the auditorium in April.

In April Jersey Shore was host for the Teen Age Library Association (T. A. L. A.). The program included a business meeting, entertainment, and a guest speaker. There were between 300 and 350 library assistants who attended.

Beginning the year under the baton of a new director, the band performed at all the football games. In addition to these precision drills the band and Spike displayed their school spirit at pep assemblies and local parades. To wind up '67, they escorted everyone's friend, Kris Kringle, to his Jersey Shore headquarters.

The following four months were filled with diligent preparation for the annual spring concert presented on April 4 and 5. Dedicated to the late Frank L. Schoendorfer, it featured two solos, various classical selections, and the immortal "Stars and Stripes Forever."

To reward three years of dedication, the senior members were again guests of the Band Parents' Association for their trip to the Ice Capades at Hershey in February.

Probably the greatest honor bestowed upon our band this year was that it was invited to play for the arrival of Vice-President Hubert H. Humphrey at the Lycoming County Airport.

The band director was Mr. Ahrens, and they had no student officers.

It takes a lot of hard work and practice to present a successful choral concert. The faithful members of our high school chorus reported to the band room every Tuesday and Friday morning by 8:25 and stayed there, lifting their voices in song, until 9:20. In addition to these first periods, rehearsals were held after school to prepare for the six performances they presented throughout the year.

This year the Glee Club put on not only a Christmas and a Spring concert, but also "Down in the Valley," an opera based on several well known American folk songs.

Within this large organization were several smaller groups: the A Cappella choir, the best voices in the Glee Club; the chorus in "Down in the Valley;" and the Baccalaureate Chorus, the best freshman, sophomore, and junior voices who sang for the graduating seniors at their worship service.

The director-adviser was Mrs. Warren, and the officers were:

Vice-President	Pete Harer

Treasurer	Sarah Ely
Student Director	Kim Feerrar

Make it good, Diney, this is your last high school solo!

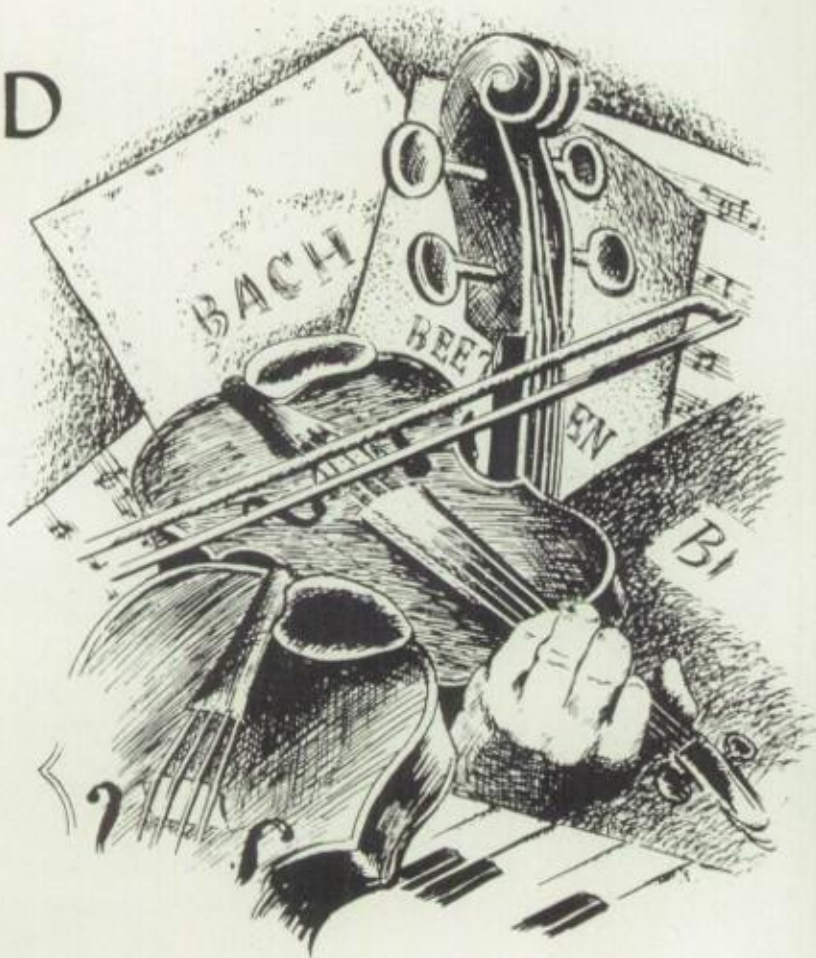

D I S T R I C T BAND

The North Central Senior High School District Band was held at Mansfield February 22-24, with Mr. Bertram Francis acting as the host director.

Students from our school who attended District Band were, from left: Debbie Bitner, Nancy Williams, Beth Camerer, Susan Rice, Judy Fenstermaker, Karen Hoffer, Kim Feerrar, Dan Scaff, Carl Russell, and Lee Copenhaver.

Several of these musicians were awarded top chairs, and Lee earned a place in Regional Band.

A good time was had by all.

D I S T R I C T CHORUS

Our north eastern neighbor, Loyalsock Senior High School, was host this year to the annual North Central District Chorus Festival February 8-10. More than 200 vocalists from seven counties participated. These students were selected by application and recommendation by their home school's vocal instructor.

Ten JS songsters attended. They were, from left: Claudia Yohe, Diana Miller, Sandra Thompson, David Weaver, Kimberlee Poust, Kim Feerrar, Pete Harer, Hal Bierly, Bill Dick, and Steve Little.

Five of our students placed, while David went on to Regionals.

"Rusty Spurs"

Under the joint sponsorship of the junior and senior classes the fourth annual variety show was presented on November 16 and 18. Nell and Dudley were the stars of the three act performance entitled "Rusty Spurs." The efforts of the backstage crew, combined with the talent of the performers, resulted in two successful presentations.

Quit pantomiming, Ruth.

In addition to supporting the school's sports activities, the cheerleaders devoted much of their time this year in preparation for the Central Pennsylvania Cheerleading Competition held at Montoursville on April 19.

This year the squad attended summer camp, where they learned cheers and new ideas for conducting pep assemblies. During their stay, the girls won a first and several second place ribbons. In order to finance this trip, the cheerleaders sponsored a clinic to demonstrate new cheering techniques and crowd psychology.

Their adviser was Mrs. Allen and Susan Williams was the captain.

Majorettes

The Majorettes combined their ideas and coordination to develop routines for football games and pep assemblies. The most impressive of these routines was introduced when the seniors performed with fire.

The girls represented our school in a twirling competition at Hughesville, as well as taking their place at the head of local parades.

The squad selected Miss Tiley as their adviser, and Debbie Guthrie was named Head Majorette.

The ushers attended the spring school activities, too, such as the band and glee club concerts, the musical, baccalaureate, and graduation exercises. Their adviser was Mr. Crosser, and the officers were: Lee Anne Kilpatrick, President; Karen Lazorka, Vice President.

Co-editors of the 1967-68 Orange and Black, Mary Ann Fisher and Sandra Thompson worked together with the entire staff to put together a bigger and better yearbook.

A tremendous amount of work had to be done before the year book was ready for publication. Advertisements had to be solicited from local businesses, write-ups about clubs and other

organizations had to be prepared, the yearbook had to be planned and laid out, and photographs had to be identified. These were just a few of the many things which The Orange and Black staff had to accomplish to turn out a successful yearbook.

The advisers were Mrs. McCarrick and Miss Gorgas.

Paideia

The name Paideia is Greek for "unity or spirit of culture." While the main emphasis is on the arts — drama, philosophy, music, and literature — it strives to make education interesting.

There is only one qualification for this club — you must be an interested student of life.

This year, under the supervision of Miss Taylor, the Paideian Club published its fourth addition with Peter Harer as its editor-in-chief.

Future Nurses

The purpose of the Future Nurses Club was to enable interested girls to get a chance to work together and learn about nursing.

The girls in this club were very busy. They did volunteer work at the hospital, gave the special education class of the junior high school a Christmas party, and helped on "Measles Sunday" at the senior high school. For fifty volunteer hours they received a pin, while one hundred hours earned them a nurses cap.

The future nurses sponsored fund-raising projects and ended the year by having a banquet with their mothers as guests.

Varsity Club

Once again the student body had its "sweet tooth" satisfied when the Varsity Club's sale of fall and Christmas candy ended. The success of these two sales enabled the club to buy each member a portfolio with a picture of his fellow team members on one side and his letter on the opposite side. The remainder of the profit bought spring jackets for all participants and senior jackets for the senior members as well as sponsoring the Varsity Club picnic held at the end of the year.

The club provided some comical entertainment for students and adults of the area when it promoted a basketball game between our faculty and the varsity basketball players.

Their adviser was Mr. Girardi and the officers were:

Swimming

The Swimming Club worked long and hard this year as they attended practice at Lock Haven as many as four times a week.

They had two meets with each of the following: Sunbury, Williamsport, Milton, Harrisburg, and Lebanon.

Medals and ribbons were won by Steve Muthler and Mike Oechler.

Tennis

Newly organized by its advisers, Mr. King and Mr. Graff, the tennis club strove to create a greater interest in the sport. Practice sessions were held in the morning and after school when members could obtain individual instruction.

Later in the year eliminations were conducted within the club and the winners advanced to District 4 competition at Bucknell University.

In the future they hope to evolve into a varsity sport with a full schedule where both boys and girls can letter.

Gym Exhibition

"These lofty places make me want to be a ballet dancer!"

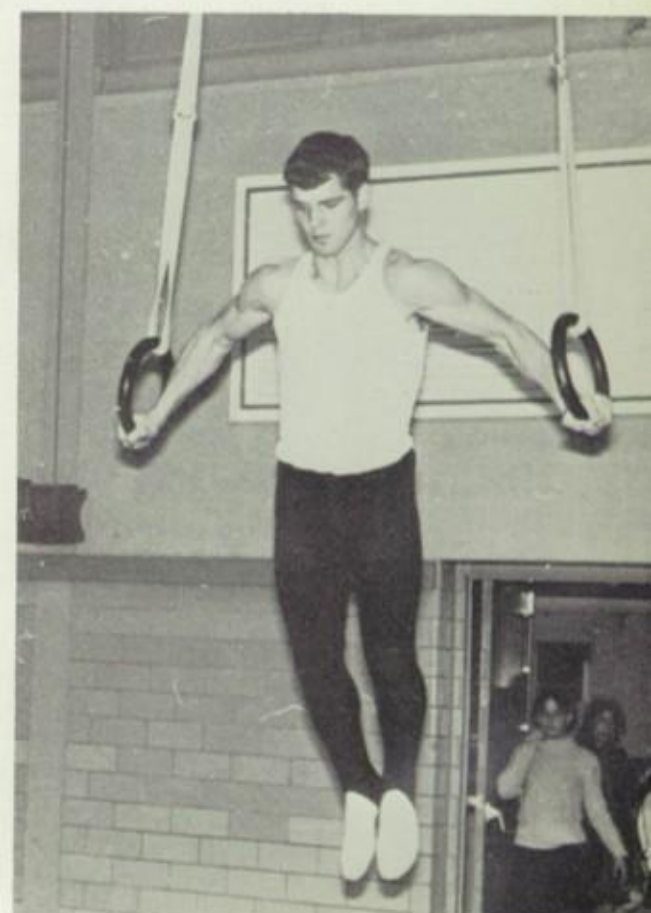

"I made it, everybody — I'm king of the hill!!"

The weeks leading up to March 21 were filled with strenuous activity as the physical education department prepared for the biannual gymnastics exhibition. Under the supervision of the phys. ed. instructors, routines of skill, strength, and grace were presented before a capacity crowd. The show was highlighted by the introduction of a doubles' routine and several performances of the Iron Cross. Group activities such as ball routine, modern dance, free exercise, and pyramids, as well as individual stunts including apparatus and hand-walking competitions, rounded out the evening's program.

Our Bulldogs had a better team than their 3 wins and 7 losses indicated. Losing 4 straight, including our 42-0 defeat by Lock Haven, we needed a win to get started; and we got it by beating Loyalsock 28-0. The following week we hosted undefeated Bellefonte. Bellefonte knew that Jersey Shore always gave them a fight and that's exactly what we did, falling to them in the closing quarter 13-7. The Bulldogs won the next 2 games; first whipping Southern Area 34-14, and then

bombing the Trojans of Troy 44-6. In our next game Athens edged us 20-18. Shore's last game was with B. E. A. The unconquered Eagles came down looking for an easy win, but the Bulldogs showed how tough they were with a 7-7 halftime score. Finally, the Eagles edged us 28-20. This year Girardi had a go for the first time with tri-captains. They were Jack Stopper, Rick Boyer, and Paul (Smokey) Stover. Our junior fullback, Bob Young, had another outstanding year rushing for 806 yards.

"Oh, the agonies of playing basketball!!!"

Tough breaks and close scores hindered first year coach William Graff's way to a winning season. Starting his first season with a new offensive and defensive attack, it took his starting five a while to perfect his new techniques. It was a long season from beginning to end, losing only by an average of 5 to 10 points per game.

In one of the most exciting games of the season, they were outscored by second place State College by only three points.

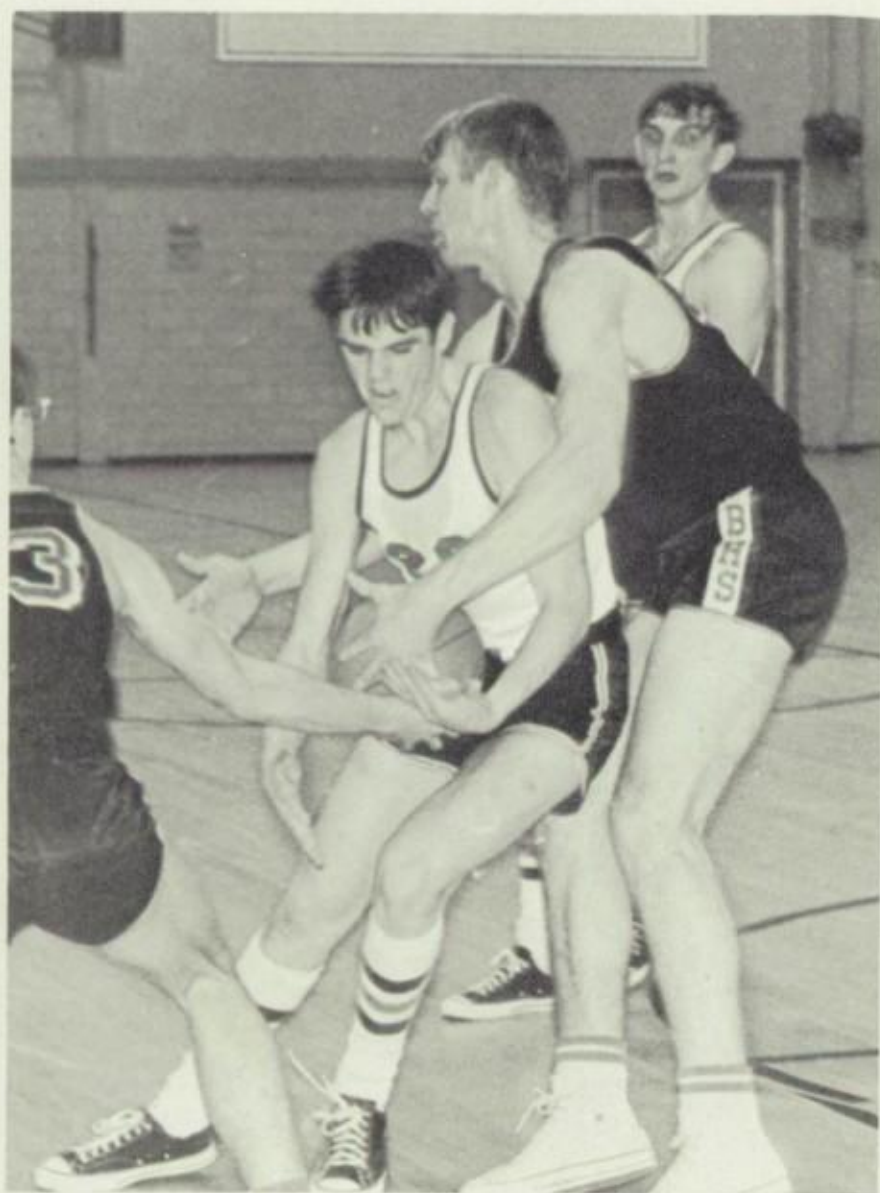

High scorer this year was a 6' 4" senior, Dan Davis, with 242 points. Davis also had the best field goal attempt average of 200/85 along with the most offensive and defensive rebounds.

John Anderson's J. V.'s closed out the season with 7 wins and 11 losses, outscoring Troy, Penns Valley, BEA, Salvation Army and Renovo. High scorer was Lyle Robinson with 245 points.

With four returning lettermen, coach Graff will be looking forward to a winning season next year.

THIS is a holdup! ! !

Sectional Winners

J. Aurand, L. Davidson, Coach Laub, M. Hauser, D. Norman

Coach Rodney Laub and his new assistant, William Albright, guided the classy Bulldog wrestlers to a winning season with a 9-2 dual meet record for the 1967 season. The powerful Orange and Black won team honors at the rugged District 4 tournament. The Bulldogs failed to have a champion at the B. E. N. tournament. However, second place trophies were captured by John Aurand, Larry Davidson, Dennis Norman, and Jay Green. John Aurand, 95 lbs.; Larry Davidson, 112 lbs.; Buddy Hauser, 133 lbs.; and Dennis Norman, 145 lbs., all won Sectional finals and advanced into Districts. Davidson and Norman became the first two District champions for coach Rod Laub, and numbers 4 and 5 in the school's history. Davidson advanced through Regional finals and became the first State runnerup in the history of the Jersey Shore High School. We were all very proud of him and will be there cheering him on to a State championship next year!

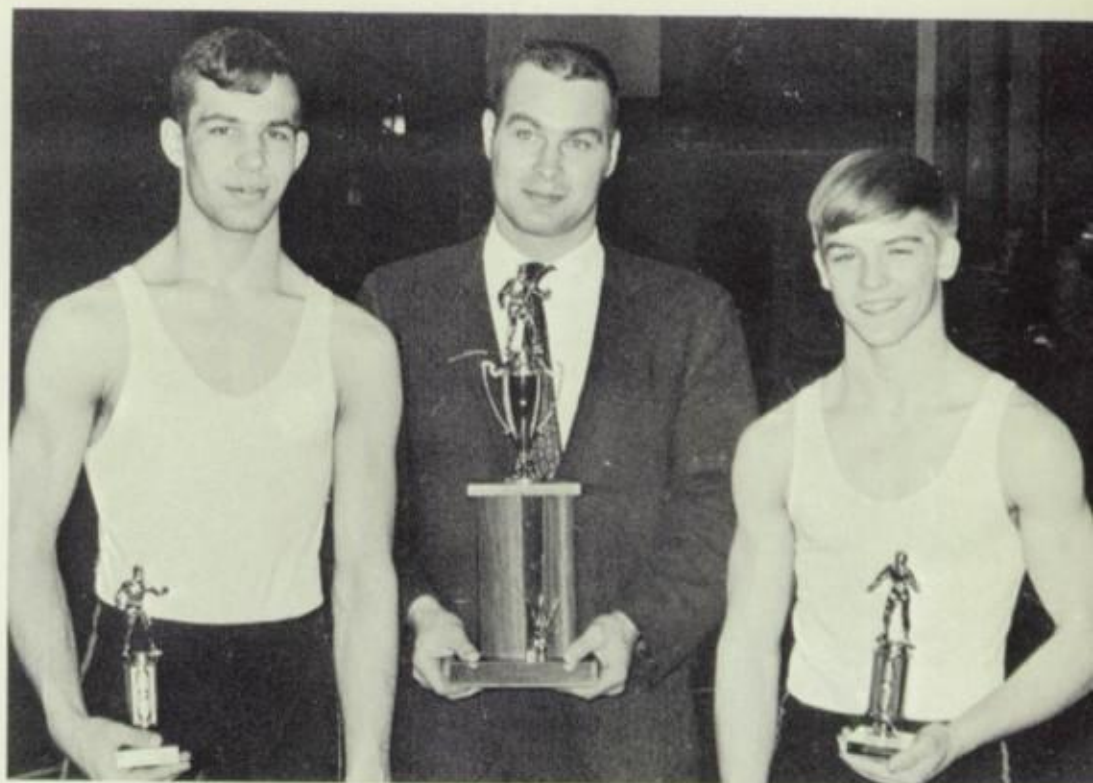

State Champion first runnerup,
Larry Davidson

Seniors

SEATED: Patty Lorson, Ken Bierly, Mary Ann Fisher, Kathy Johnson. STANDING: Mrs. Allen, Mr. Albright.

The Class of 1968

The senior class had a great deal of work to do to get ready for graduation. Besides ordering pictures, namecards, and announcements, the class undertook the project of selling JSHS pins.

The main project, however, took place in November when they joined forces with the juniors and presented the variety show.

The Junior-Senior Prom, Class Day, and Baccalaureate led the seniors to their final step in high school—GRADUATION.

The class of '68 was indeed a class of "firsts." It was the first class to graduate under the leadership of the new principal, Mr. Crosser; the first class to have two full time advisers; the first class to have caps and gowns in their class colors; and it was the first class to establish an official school crest for use on announcements.

The class motto was "Be civil to all; serviceable to many; friend to everyone; enemy to none." The flower was a baby rose and the colors were burgundy and white.

The advisers were Mrs. Allen and Mr. Albright and the officers were:
